

Winter Arctic Market Food Vendor Agreement

I _____, have carefully read and understood the following procedures and protocols set for the Winter Arctic Market.

I agree to follow the procedures below to ensure a safe Arctic Market for vendors, patrons and staff.

- Two persons are permitted to run the table, but they must be from the same family/friend bubble
- All vendors must wear appropriate PPE throughout the market (non-medical masks and gloves)
- All food items must be individually wrapped, unless serving hot food
- No made to order foods will be permitted
- No touch or limited touch payment options are encouraged
- All vendors must provide an easily visible item and price list
- All vendors must have hand sanitizer and hand wipes displayed on your table
- No Styrofoam, but single-use cutlery and serving dishes/containers must be used at this time (paper, plastic, or compostable)
- Patrons will not be permitted to use their own reusable containers at this time
- All vendors must submit their GNWT Food Establishment Permit for approval on the Tuesday prior to the market to the Environmental Health Officers at environmental_health@gov.nt.ca
- All vendors must display their GNWT Food Establishment Permit at their table
- I understand that these protocols may change at anytime according to the recommendation given by the Environmental Health Officers or Town of Inuvik staff
