

COMMUNITY KIOSK

Welcome to Inuvik – Mural / Painting Artist
Call for Expressions of Interest

BACKGROUND

The Town of Inuvik is currently looking for a local artist who is interested in submitting a creative plan for a mural and/or painting for the blue Community Kiosk in Jim Koe Park that sits near the stop light on Mackenzie Road.

Ideally we would like to see “Welcome” and the Town of Inuvik logo incorporated into the creative plan. Our intent is to create a vibrant and colourful mural that reflects Inuvik’s past as well as contemporary life, people, & culture. We also would like to create a “photo opportunity” whereby encouraging visitors to take and share their photos in front of this signature colourful display.
