

# **CALLING ALL RESIDENTS: GET INVOLVED!**

## **JIM KOE PARK REDEVELOPMENT PROJECT**

The Town of Inuvik is seeking help from residents with the redevelopment of Jim Koe Park and the surrounding recreation area.

A few years ago, the Town turned over the land where East Three School now sits to the GNWT and in return, the GNWT agreed to replace the ball and soccer fields that existed on the property at the time of turnover.

Plans are now underway to locate those fields in the area between Jim Koe Park and the Midnight Sun Complex. Two preliminary draft drawings for the area were presented at the July 10 and 12, 2017 Town Council meetings. Public input is now being sought on both options.

Have another idea? Town Council would also like to hear what other suggestions residents may have for the area.

***Public input will be received until 5:00 p.m. on Wednesday, August 9, 2017.***

E-mails may be directed to Grant Hood, Senior Administrative Officer at [sao@inuvik.ca](mailto:sao@inuvik.ca). Letters or comments by fax to (867) 777-8601 will also be accepted, or residents may call (867) 777-8608.

A public information session will be held. More information will be available at a later date.

We look forward to your input!
