

## SQUASH BUBBLES APPROVED

We have been approved by Protect NWT to permit the play of regular squash games at the Midnight Sun Complex, if players are a member of a registered "squash bubble".

A squash bubble is comprised of a maximum of 5 people. All bubbles must be registered. You can pick up a form at the MSC front desk or call in with your email address and we can send you a form. Only one form is required per Squash Bubble.

When you register your bubble, each member of the bubble must come in and sign a waiver of consent, a COVID-19 declaration, and an initial symptoms questionnaire and self-isolation screening. These documents must be completed before bubble play can commence.

### **Squash Bubble Conditions**

1. Each player must check in with desk staff once a week, to confirm that your health or travel situation has not changed.
2. You may not play regular squash games with someone outside of your bubble or with someone from another bubble.
3. ONLY TWO PEOPLE MAY BE ON COURT AT A TIME, even if you are from the same squash bubble.
4. No changes to bubble members until at least 8 weeks have passed (only one change per player maximum).
5. Avoid physical contact with your opponent (no handshakes, hugging, etc.).
6. Wash or sanitize your hands frequently
7. When possible, please come dressed ready to play
8. Minimize the amount of gear you bring
9. Do not share equipment and personal effects including racquets, water bottles, food, etc.
