# PUBLIC NOTICE

## Town of Inuvik

### Emerging Wisely Framework

The Town of Inuvik is getting ready to welcome residents back to our facilities and to re-open programs and services in line with the GNWT's Emerging Wisely plan for the Territory.

We would like to take this opportunity to thank residents for their continued patience in these unusual times as staff works hard to prepare to re-open. Our top priority remains the health and safety of our residents and staff in providing essential services.

The Town of Inuvik Emerging Wisely Framework has been developed to guide the community through the various phases of re-opening in keeping with NWT public health regulations. To ensure residents and staff's safety, we will re-open with restrictions and other modifications.

While this document provides an overall organizational view, please stay tuned for more specific and detailed facility updates in the coming days.

We will communicate all updates via our website at [www.inuvik.ca](http://www.inuvik.ca) and the Town of Inuvik's Facebook page. We encourage everyone to read through the Emerging Wisely Framework document and to contact the Town Office at 777-8600 or e-mail us at [info@inuvik.ca](mailto:info@inuvik.ca) with any questions.
