

# TOWN OF INUVIK

## Notice to Bidders - Utilidor Replacement

Electronic submissions entitled "Utilidor Replacement Blocks 28, 50 and 51" and addressed to Town of Inuvik shall be received via email at [mmaltais@mcelhanney.com](mailto:mmaltais@mcelhanney.com) before 2:00 p.m., local time, on March 16, 2023.

The work generally comprises:

- Removal and replacement of existing utilidor within Blocks 28, 50 and 51. All removals are High Temp Water (HTW) style and replacement with Jacket Insulated Steel Pipe on Steel Piles (JIPSP).
- The total length of new utilidor is approximately 193 m. New sewer mains are 250mm and water mains are 200mm insulated cement lined steel pipe.
- Installation of 36 steel piles.
- Installation of 10 service connections.
- Earthwork along the project route as needed for construction purposes and as needed to leave the route properly graded with good drainage and a neat final appearance.
- Provision of temporary facilities to maintain sewage bypass throughout the project area.

Copies of the digital Bid Documents will be made available Thursday February 23<sup>rd</sup>, 2023, and can be obtained by emailing McElhanney at the below email address.

Bids should be accompanied by Bid Security in the amount of ten percent (10%) of the Bid Price, payable to the Town of Inuvik. Failure to provide Bid Security will be a factor taken into account when awarding the contract.

Inquiries regarding this Project shall be directed to:
