Town of Inuvik

About the Town of Inuvik

Inuvik is located 200km North of the Arctic Circle, on the East Cannel of the incredible ecosystem that is the Mackenzie Delta. We are located within the Taiga Forest just south of the tree line and Arctic Tundra. Inuvik acts as the gateway to the Western Arctic as the Mackenzie River, Dempster Highway and Inuvik-Tuktoyaktuk Highway connect our smaller communities in Summer and Winter.

Our community thrives on the land, nature and culture as Inuvik is the traditional land of the Inuvialuit, Gwich'in and Metis people, complimented by a variety of non-Indigenous people who have made Inuvik home.

The Town of Inuvik has compiled this document as a one-stop-shop for services to plan for all your conference needs.
